Summary Project Description:			
The Mystic Ranger District - BHNF officially began to implement a Non-Motorized Travel Management Plan late in 2012. The intent is to improve the 68 miles of classified Non-Motorized Trails that are in need of maintenance, to add three unclassified trail systems to the classified system and study an inter-connecting trail system. The trail counters & cameras will be deployed to monitor & identify trail use plus for law enforcement of Non-Motorized use.
